

Welcome to Ireland West Private Tour Packages

Ireland West Private Tours are different and unique, we take you to places that are off the beaten track as well as the West's major tourist attractions.

We try to give you both a contemporary and historical flavour of the region, from sites of great historical and cultural importance, to wind swept beaches and rolling hills, to the pulsating cultural and cosmopolitan buzz of Galway City.

But the choice is yours, you can pick and plan your itinerary, you can cut and change at will, or linger longer in some places. We give you time to relish the hidden Ireland, you are in complete control.

We will visit the places you most want to see and at a pace to suit you. Sample our quaint Irish Pubs and listen to traditional Irish Music. You can also take in contemporary cultural events, such as theatre, concerts, exhibitions and street festivals.

We can custom make our tour packages to suit your particular interests and tastes. We pride ourselves on giving you a truly wonderful experience in the heart of the real Ireland.
